Dear Sir,

In response to the request for comments made public via the Federal Register notice, Volume 70, No. 53, Monday, March 21, 2005/Notices, 13513, we, on behalf of the Dutch Research Organization TNO, herewith forward you our comments and remarks concerning the ICE test method described in the Expert Panel Report: “Evaluation of the Current Validation Status of In Vitro Test Methods for Identifying Ocular Corrosives and Severe Irritants”.

The documents will also be forwarded as a hard copy by mail courier.

We would appreciate if you could confirm the receipt of this message by return e-mail.

Yours sincerely,

M.K. Prinsen and Dr. R.A. Woutersen, Head of the Business Unit Toxicology and Applied Pharmacology, TNO Quality of Life
